Thank you for your interest in our family astronomy programs that is suitable for all ages.

Program Fees

Please note it is important for us to be able to continue making these astronomy programs available and to provide quality education and entertainment. For this reason, we are not able to give discounts except as itemized below. As you will see, we have provided a way for your organization to obtain significant discounts and we also make every effort to operate in such a manner as to keep our costs affordable. Thank you in advance for understanding and for valuing our services.

Program Fees are All-Inclusive with No Hidden Costs

1 Library/ Organization - \$450 total

Available Discounts for Libraries/Organizations

It's easy for your organization to obtain a *significant* discount on our program! Simply contact other schools or libraries in your area and ask them to book a presentation on the same day or an adjacent day as your scheduled presentation. It's advantageous to contact more than one library/organization in your area because you can *increase your discounts!* See below.

If You Are Able to Help Us Book:	Your Reduced Fee Will Be:	Their Fee Will Be:
1 other program	\$400 (\$50 discount)	\$450
2 other programs	\$350 (\$100 discount)	\$425 each (\$25 discount)
3 other programs	\$300 (\$150 discount)	\$400 each (\$50 discount)
4 other programs	\$250 (\$200 discount)	\$375 each (\$75 discount)
5 or more programs	Fee will be reduced accordingly	\$350 each (\$100 discount)

Note: When more than one library/organization is having a program on the same day, one program will be given in the afternoon and the other in the evening. Patrons attending the afternoon program will be invited to the library having the evening program to participate in telescope viewing of the night sky, weather permitting. *This is an opportunity your patrons won't want to miss!*

Additional Discount & Opportunities

- Make your program a fundraiser
- Write a grant to receive a new telescope (see www.telescopesforlibraries.com)
