

# Father Gabriel Farago

*‘Believe You Can,  
and You Will!’*

Father Gabriel Farago is a priest, evangelist, published author (*Secrets to Success in Country Music*), Billboard charted recording artist, songwriter, Nashville record producer, radio show host, seminar presenter, motivational speaker...and even standup comic. People describe him as amazing--a man of many talents!

*But--you might be surprised that Father Gabriel*

- ✓ was a baby when he and his family---became homeless Hungarian refugees!
- ✓ came to America at five years of age---but didn't speak a word of English!
- ✓ was a failure on trumpet---later switched to tuba and offered a scholarship!
- ✓ flunked high school history---then became a history teacher!
- ✓ was so shy he quit choir---yet went on to a successful recording/singing career!
- ✓ ‘hated’ computers---but later designed his own line of inspirational cards!
- ✓ was terrified at giving talks in school---now addresses huge audiences!
- ✓ was scared of heights---so he started sky-diving (and loves it!)

Father Gabriel turned his ‘failures’ into incredible successes! “Seek your anointing, that special ‘something’ all your own that you were born with, focus on it, and failure will not be an option,” the country singer turned priest says!

*Allow Father Gabriel an opportunity to empower your group--discover their true gifts, overcome their fears and enjoy an unprecedented season of success in their lives!*
