

We Need Your Help!

The Library would like to add items to the Archives Collection of Vernon Parish. And we plan to reproduce many of these items in book format. We would like to borrow items of Remembrance of Church and School life. These items will be added to our Archive collection. Here is how you can help us preserve the rich history of Vernon Parish.

You may donate items to the Archives, or Loan items to us for 1 week. These we will scan/copy and the original will be returned to you within 1 week.

Some of the types of items we are seeking are:

CHURCHES:

- Church records
- Banquets
- Old Church Bulletins
- Vacation Bible School certificates/programs
- Church photos (reunions, buildings, choir, milestones, etc.)
- Sunday Schools
- Funeral programs
- Music programs

SCHOOLS:

- Photos (class, sports, events, programs)
- Certificates, Report Cards, Awards, Diplomas
- Sports (photos, programs, certificates)
- Graduation (programs, photos)

Please include Names of individuals, where photo taken, when or approximately when, and what was happening or what the event was. And any other relevant information is helpful.

Items may be given to a staff member. They will be placed in an manila envelope with your name and contact information on the outside. They will be scanned and copied for the Archives, and possible inclusion in a book. They may also be uploaded to our Flickr site. They will be returned to you within one week.
