Rev. Hilton R. Wells,

author of

**Speak Blessings**

*Speak Blessings* gives parents the ability to use the redemptive power of positive, life-inspiring words to help shape the lives of their children. Words have the power to build a bright future for a child or create a life full of struggle and defeat. The Bible tells us in the book of Proverbs that "Life and Death are in the power of the tongue." The words we speak into the hearts and minds of our children today will have destiny altering effects on them for the entirety of their lives. Let's use this book as a resource to begin motivating our children to. He is a graduate of New Orleans Baptist Theological Seminary, where he earned a Master's Degree in Missiology. He reach their full potential. Speak blessings and watch the impact it has on your children forever!
